

Centennial Farm Scavenger Hunt - Level 1

1. What is a female chicken called?
2. What is the name of the machine that uses wind to pump water out of the ground? (Hint: it's near the Century Barn.)
3. How many dairy calves (black and white baby cattle) are on the Farm?
4. How many total piglets (baby pigs) are there?
5. Name two (2) colors you see in the garden:
 1. _____
 2. _____
6. Circle the correct colors of the oxen:

Blue	Orange
Green	White
Black	Brown
7. Name the insect that flies around the garden looking for flowers to pollinate?
8. At the milking parlor, how many gallons of milk does a Holstein cow (black and white cattle) give in one day? (Hint: count the number of empty milk gallons hanging on the wall.)
9. What is the name of the fiber we shear (cut) off the sheep to make clothing?
10. After visiting the animals and crop areas, you wash your hands with soap and water. How long do you rub your hands together?
